Dear Ellie,

I would once again like to thank you for a quality production. The video that you produced for our dinner honoring Allen Ziegler could not have been better. It held the attention of the audience, got the message across and delighted Allen and Ruth Ziegler.

Coming after your video of the life of Jona Goldrich for our January event, the Ziegler film demonstrates the consistency of your work. Your professionalism is something that I value and would like to commend you for. Your ability to listen and produce a product that satisfies the needs of the client is comforting. Both videos were produced in a manner consistent with the needs of fundraising and both served as the centerpiece of dinners that each had in excess of eight hundred people in attendance.

Let me once again compliment and thank you for two excellent productions. I look forward to working with you in the future.

Sincerely,
