Dear Ellie,

Just a quick note to let you know how thrilled the entire congregation was with your work. Having a 40th anniversary is a very special experience in the life of a synagogue, and we approached the creation of the history of our founding years with some trepidation. Discovering you was the most wonderful good fortune yet!

Without question, the warmth and ease of manner of your professionalism allowed everyone to participate so fully in the process that the resulting book on our founding years is a joy to behold and to read. I know it will continue to be a very special part of the life of the synagogue for many years to come.

Thanks again for your wonderful work and help in making this dream a reality.

In shalom,

Rabbi Steven Carr Reuben
